The Honorable William Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

During the last several weeks there have been a number of newspaper reports concerning the involvement of the Central Intelligence Agency in Central America. In particular, there has been public discussion of CIA assistance in the recent Salvadoran election, and also of activities in Honduras.

I find it rather difficult to interpret this public discussion. As a result, as Chairman of the Subcommittee on Inter-American Affairs, I would greatly appreciate your providing me with details of these activities, and the rationale for making this involvement public.

Thank you in advance for your assistance.

Sincerely,

Michael D. Barnes
Chairman
Subcommittee on Inter-
American Affairs
